1. Introduction

The FOI Act 2000 provides public access to information held by public authorities. The Hub School has adopted the generic model publication scheme issued by the Information Commissioner's Office and has also produced a guide to information available from The Hub School (specifying what information we publish and how it is available) and a schedule of fees (confirming what we charge for information).

2. Aims

The school aims to:

- enable every child to fulfil their learning potential, with education that meets the needs of each child

4. Making a Request

Individuals or organisations may make a written request for information which they believe the School holds. To Request information under the provisions of the Act please email thehubschool@admin.eastriding.gov.uk or write to Headteachers PA, The Hub School, Springhead Lane, Anlaby Common, HU5 5YJ.

Please be sure to include your name and valid postal address, as required under the Act, and a clear description of the information you are seeking. When making a request you can state a preference of how you want the information communicated to you. We will try to meet your preference as far as is reasonably practical, or notify you if we cannot do so.

4.1 Responding to your request

We will inform you in writing whether we hold the information you have requested and if so, provide it 1 month from the day after the school receives the request until the corresponding calendar date in the next month. If this is not possible because the following month is shorter (and there is no corresponding calendar date), the date for response is the last day of the following month. If the corresponding date falls on a weekend or a public holiday, we will respond on the next working day.

The FOI Act does identify a number of categories of information which the School is not required to disclose under the Act. In this case, we will write to you stating the exemption which provides the basis for refusal within the Act and why it applies to the information you requested. We will communicate this to you within 1 month from the day after the school receives the request.

4.2 Requests for personal information made under the Data Protection Act

If you are seeking personal information about yourself, you should apply under the provisions of the Data Protection Act. Personal information about others is, and will remain, confidential.

5. Complaints

If you are dissatisfied with the way the School has responded to a request for information, please write to the Head of School, The Hub School, Springhead Lane, Anlaby Common, HU5 5YJ.

The Information Commissioner's Office (ICO) is responsible for enforcing the operation of the Act, and you may raise issues with this office at any time.
